RE: Wyoming Notice of Intent to Engage in Telephone Solicitation

Dear Ms. Kiehl:

Our office received a Notice of Intent to Engage in Telephone Solicitation for **The Results Companies, LLC** dated **May 15, 2014**. The Results Companies appears to intend to make telephone solicitation calls for SiriusXM Radio. In January of 2013, we rejected a submission for telephone solicitation for SiriusXM Radio and discussed our concerns with Sirius's counsel, Clay Friedman. As we have previously explained, SiriusXM Radio's trial service in new automobiles does not create an "established business relationship" under WYO. STAT. ANN. § 40-12-301(a)(vi), and thus calls made to those purchasers must be checked against the state and federal do-not-call lists. Mr. Friedman advised our office that he would send additional information for our consideration; however, we have heard nothing further since that date.

Accordingly, we will not accept the filing for telephone solicitation for SiriusXM Radio at this time. We are returning your submission under cover of this letter.

Regards,
